Gláandi augu, silfurnátt
Blá alvörur, starir Ái
Áður hundur er vágamá, Á maga... má

Kolniur gref, kvik sem dreg há
Kolniur svart, hvergi bjart ná

Kolniur og myrkur Áti
En Á má, rÁkir Áveur

Kolniur og dimmur lekur blek
Áog reyni og brenni báita skel

Langt máldur og okkur
Myrkur grÁim, grÁim há
Daua hjÁir, linnurst, skjÁifandi

Ein brá ½ Áiur, Ág Át von nei
SjÁilfur blindur Ái, yfir ná
Og Ág kjÁstigpa um...

(DÁru rurÁ)

Glowing eyes, silver night
Dead serious, staring out
Furious dog is in a killing mood, in my belly

Endless dark buries, alive who make it here
Endless dark black, no light at all...

Endless dark and darkness outside,
But in me, a storm rages

Endless dark and dark dripping ink,
I try and burn boat shells

Far away mold and us
Darkness looms, looms here
Death is near, you stop rustling

Singled out, no hope

Myself blinded, more than enough
And I submissively stepped out the door
