(Now : You : Go)

We're swimming in the blue; my misfortune
Will life bring lighter blue?
My eyes are soaked all way through

Old sinking friendships
We drown them all

I'm singing a sad tune
Is this song to you? (Ooh Ooh Ooh)
Is this song to you? (Ooh Ooh Ooh)

Wishes overdue are well saved in locks
Wishes overdue...

No one knows you, till it's over
You know no one true, till it's over

Is this song to you?
Is this song to you?

My lips are pale blue
My shivering half-moon
My last night's slowest tune
Is the end of the end of the end

Old sinking friendships
We drown them all

I'm singing a sad tune
Is this song to you? (Ooh Ooh Ooh)
Is this song to you? (Ooh Ooh Ooh)

Wishes overdue are well saved in locks
Wishes overdue...

No one knows you, till it's over
You know no one true, till it's over

No one knows you, till it's over

You know no one true, till it's over

Is this song to you?

Is this song to you?

(You : Go : Now)
