Well alright, ok
you win
i'm in love with you
well alright, ok
you win, baby what can i do
i'll do anything you say
and it's just got to be that way
well alright, well ok, you win
i'm in love with you
well alright, ok, you win
baby me and you
anything you say i'll do
as long as it's me and you

First thing in the morning
please wake me with a kiss
you gotta make up for the lovin
that you have made me miss
well alright, ok, you win
i'm in love with you
well alright, ok, you win
baby what can i do
anything you do i'll say
it's just got to be that way

all that i'm asking
all i want from you
just love me as i love you
and it won't be hard to do

well alright, well ok
you win,
baby one thing more
if i'm gonna be your man
baby let me take your hand

well alright, ok, you win
i'm in love with you
well alright, ok, you win
baby one thing more
if i'm gonna be your man

baby let me take your hand

Alright, ok, you win
