I woke up this morning feeling a mess  
'Cause my rent was overdue and My car note was next.  
Seems the only thing or time comes every month my  
way,  
So I think I'm gonna lay right here for the rest of the  
day.

Call on my Momma,  
but she'd already gone.  
I just needed to talk because I felt so alone.  
Then all of a sudden you knocked on my door  
And you were standing there just like an angel.  
Oh, I adore you.

Girl, you brought me joy where there was pain.  
You gave me the reason to smile again.  
When it was all wrong, you made it alright  
And I'm so happy that you came to see me.  
Your love is so nice.

You made me some breakfast and you called me in  
sick.  
Pulled the shades on my windows and pretended that  
it..  
It was a Saturday Night. You held me so tight.  
What did I ever do to deserve you. I love you.

Girl you brought me joy where there was pain.  
You gave me the reason to smile again.  
When it was all wrong, you made it alright  
And I'm so happy that you came to see me.  
Your love is so nice.

You filled my heart with pure delight  
Ever since you came into my life.  
You let me know you would be  
Only there just for me.

So, I want to say I appreciate you for  
All the love you send my way  
I'm thankful for all the time

You give me.  
Your love is so nice.
