Never knew, I could feel like this  
Like I've never seen the sky before  
Want to vanish inside your kiss  
Everyday I love you more and more  
Listen to my heart  
Can you hear it says  
Telling me to give you everything  
Seasons may change, winter to spring  
But I love you until the end of time  
Come what may  
Come what may  
I will love you until my dying day

Suddenly the world seems such a perfect place  
Suddenly it moves with such a perfect grace  
Suddenly my life doesn't seem such a waste  
It all revolves around you  
And there's no mountain too high  
no river too wide  
Sing out this song and I'll be there by your side  
Storm clouds may gather, stars may collide  
But I love until the end of time

Come what may  
Come what may  
I will love you until my dying day
