Hey, do you think that we can make it work honey?  
Are you under the spell?

Is it too early to tell?  
Is it too early to tell?

Come on and catch up to the music anyway  
Make your mind up today

Is it too early to tell?  
Is it too early to tell?

Give me about an hour  
I wanna groove and hear your song  
Let's take a little bit of time now  
Can't rush to get it on  
Wait a minute here  
Don'tcha move too fast  
Gotta play this game to last  
Don'tcha get the feeling?  
We can rock it tonight  
Everything is going just right

It's time to rock and roll  
And let it all come out  
That's what it's all about  
I got you under the spell  
It's not too early to tell

Give me about an hour  
I wanna groove and hear your song  
Let's take a little bit of time now  
Can't rush to get it on  
Wait a minute here  
Don'tcha move too fast

Gotta play this game to last  
Don'tcha get the feeling?  
We can rock it tonight  
Everything is going just right

Now hear the thunder

Hear the rhythm and rhyme  
It's coming right on time  
It's not too early to tell  
It's not too early to tell

Now hear the thunder  
Hear the rhythm and rhyme  
It's coming right on time  
It's not too early to tell  
It's not too early to tell

Now hear the thunder  
Hear the rhythm and rhyme  
It's coming right on time  
It's not too early to tell  
It's not too early to tell

Now hear the thunder  
Hear the rhythm and rhyme  
It's coming right on time  
It's not too early to tell  
It's not too early to tell

Now hear the thunder  
Hear the rhythm and rhyme  
It's coming right on time  
It's not too early to tell  
It's not too early to tell
