Baby, maybe I look like a fool  
Standing before you tryin' to figure out  
What you do to me

Just to see you, just to hear you speak my name  
Makes me feel so weak  
That I can hardly stand  
What you do to me

What you do to me  
Is like Poetry  
If I only knew  
What you do to me

What you do to me  
Is so heavenly  
Wish I could do to you  
What you do to me

Baby, I'm used to being in command  
Know right where I stand  
But that was long before  
You got through with me  
Now, I'm beggin'  
Don't let me go down in flames  
Don't be playin' games  
'Cause I can't live without  
What you do to me

What you do to me  
Is like Poetry  
If I only knew  
What you do to me

Ah, won't you keep on  
Keep on holding me  
Keep on kissing me  
Keep on driving me wild  
Keep on touching me  
Keep on huggin' me  
Keeps on driving me up to the sky

What you do to me  
Is like Poetry  
If I only knew  
What you do to me
