Baby, I think, I mean I got  
A feeling that we should declare this  
It's over and go on and leave  
Sick of fuzzin' and fighting

Hurtin' you, hurtin' me  
Think it's best that  
Don't you think that  
It's better to leave

Baby, lovin' you's been good but it  
hurts me  
'Cause we're nothing like we used to be  
And you used to be my everything  
And I remember that I used to be exactly what you  
need

Oh and nowadays, I push you away  
And whenever I need you  
You're nowhere to be found  
And the hurtful things that we say  
And we haven't said, I love  
you in forever now

Baby, I think, I mean I got  
A feeling that we should declare this  
It's over and go on and leave  
Sick of fuzzin' and fighting

Hurtin' you, hurtin' me  
Think it's best that  
Don't you think that  
It's better to leave

It's just been done fighting being together  
'Cause there was no place that we'd rather be  
Thought we'd stay in eternity 'cause we just  
knew  
That we'd could get through anything

Oh and nowadays, call each other names  
And it's crazy how things have changed

And the hurtful things that we say  
And we haven't said, I love  
you in forever now

Baby, I think, I mean I got  
A feeling that we should declare this  
It's over and go on and leave  
Sick of fuzzin' and fighting

Hurtin' you, hurtin' me  
Think it's best that  
Don't you think that  
It's better to leave

Givin' up, is so hard to do  
Especially when, you've been loved by you  
Neither ones of us wants to say goodbye  
'Cause it hurts like hell inside  
Boy, I love you for the rest of my life, inside of me

Baby, I think, I mean I got  
A feeling that we should declare this  
It's over and go on and leave  
Sick of fuzzin' and fighting

Hurtin' you, hurtin' me  
Think it's best that  
Don't you think that  
It's better to leave

Baby, I think, I mean I got  
A feeling that we should declare this  
It's over and go on and leave  
Sick of fuzzin' and fighting

Hurtin' you, hurtin' me  
Think it's best that  
Don't you think that  
It's better to leave

Baby, I think, I mean I got  
A feeling that we should declare this  
It's over and go on and leave  
Sick of fuzzin' and fighting

Hurtin' you, hurtin' me  
Think it's best that  
Don't you think that  
It's better to leave

It's better to leave

Said, I love you
