Whoa come on

Whoa

I've thought I've seen this girl before,
The type of woman that I just can't ignore,
You are amazing, and your body is blazing,
I gotta admit that, you got me goin crazy over you,
(I swear that she's lookin at me and she looks like a
devil that's in disguise,
I swear that she's lookin at me and she looks like a
devil that's in disguise)

She got me, whoa, she got me, so addicted,
She got me, oh she got me, she got me, so addicted,

I know she got what every man wants,
Make you leave your lady in a second you'll be gone,
She's just like a habit, yes she'll make you an addict,
Now there's no other one that I want to be with but you,
(I swear that she's lookin at me and she looks like a
devil that's in disguise,
I swear that's she's lookin at me and she looks like a
devil that's in disguise,)

She got me, oh she got me, she got me, got me so
addicted, whoaa

It feels like a sickness, the game she played,
I mean she had me twisted, got me wit my own game,
Oh this girl was so vicious, for she's winning,
Had me turned out, then she flipped it,
Cuz she had a pawn, and she's out the door,
She was playin me, I can't take it no more,
(I swear that she's lookin at me and she looks like a
devil that's in disguise)
I can't take it no more
(I swear that she's lookin at me and she looks like a
devil that's in disguise)
Don't wanna take it no more
(I swear that she's lookin at me and she looks like a
devil that's in disguise)

Ohh I can't take it no more
(I swear that she's lookin at me and she looks like a
devil that's in disguise)

She got me, whoa, she got me, so addicted
She got me, whoa, she got me, she got me so addicted
