Allan Rich, Jud Friedman

I know you thought it best
That we spend a little time apart
But one night without you
Is so much for my heart

I know I promised not to call
Sorry, but I didn't have a choice
I just had to hear your voice

Oh, please don't be mad at me
'Cause I really did the best I could
Not to dial your number
But I didn't do much good

Hung up the phone so many times
'Til I really didn't have a choice
I just had to hear your voice

I had to know that you're okay
I couldn't get to sleep this way
And I had to hear you say hello
I had to
Because I love you so...

I know you thought it best
That we spend a little time apart
But I had to hear your voice
Though I know it just wasn't right
I just had to hear you sweet voice...
