Rhett Lawrence, Crystal Bernard, Suzie Benson

You've been on my mind  
'Cause the last words that I said,  
Felt so wrong and so unkind  
'Cause you wanted her  
And all I wanted was for love  
To make us the way we were  
What was said and what was done,  
Is not the way of love  
Just look what we've become

Feel me touch you tenderly  
I'm making an apology  
Please hold me close tonight  
Make it right  
Can we try to love once more  
And make it like it was before  
I need you by my side  
Make it right

As you close your eyes  
Can you hear me praying how  
Can two lovers be so blind  
It hurts me once again  
Just to know that we were once so close  
Won't ya help me understand  
Can we forgive, can we compromise  
Just believe that we can leave it all behind  
It's better left if we feel good inside  
One up our hearts and forget foolish pride

Feel me touch you tenderly  
I'm making an apology  
Please hold me close tonight  
Make it right  
Can we try to love once more  
And make it like it was before  
I need you by my side  
Make it right

(Are we gonna)

Make it right  
(Can you see)  
See it in our eyes  
(Can we do it)  
Do you wanna try  
(Don't you know I)  
Always love you baby  
(Give a listen)  
To the words I'm saying  
(Tell you that it's)  
Only love I'm makin'  
(All you gotta)  
Do is she'd your pride

Feel me touch you tenderly  
I'm making an apology  
Please hold me close tonight  
Make it right  
Can we try to love once more  
And make it like it was before  
I need you by my side
