Oh, oh yeah, oh, oh God, hey  
I don't know  
The way that you want this to go  
Baby I'm so sick and tired of playing your games  
If you say the word  
I'll be there soon as it's heard  
Maybe I'm wasting my time working on you

1 - I'll do my best to show you  
That I'm the one to hold you  
Sometimes you make me lose my mind

2 - We can all go to a different party  
Dancing in the streets with some girls from Maui  
We can all rock at the D?j? Vu  
And you know how we do it  
I just want you to start shaking your body  
Times are gonna change  
Girl you know I'm naughty  
I know you know  
I'll go solo  
With so many lovers, so many offers  
To be all over, you ain't part of me

You won't believe  
All of the tricks up my sleeve  
Baby you so hypnotize me with your eyes  
I can't control  
Long enough to let you know  
I'm getting old  
Wasting my time waiting on you

Repeat 1

Repeat 2

3 - It's a different party, party  
Gotta shake your body, body  
It's a different party, party  
Cause you know I'm naughty  
It's a different party, party

So shake your body, body  
It's a different party, party  
And that's how we do it, do it

Jimmy Jam!

Gotta get you in the groove girl  
Gotta get you in the mood  
Up now, now down  
Gotta get up, get up, get down  
Gotta get you in the groove girl  
Gotta get you in the mood  
Up now, now down  
Spinning around and around until we hit the ground

Repeat 2 (2x)
