You are the kind of woman only found in dreams
And he is the kind of man who leaves your heart to
bleed

Let me wipe your tears and touch your face
And make you feel like you can love again
Baby, I'm here waiting for you to call me

Can I come over tonight
Can I come over tonight
Can I come over tonight (baby)
Can I come over tonight
Can I come over

And what can I do (what can I do)
To make it alright for you
(Make it alright tonight) Tonight
Can I come over tonight,
Can I come over

I saw you with him
And he could not have treated you worse
(Could not have treated you worse) Oohhh
Like he was ashamed
To be holding a goddess of the earth

If you were mine, (if you were mine)
I'd spend my time (I'd spend my time)
I'd dedicate so you could love again
Baby I'm here waiting for you to call me, ohhhh

(Can I come over tonight)
(Can I come over tonight)
Let me come over (Can I come over tonight)
Girl, I wanna show you what love's about
(Can I come over)
Is there anything I can do (what can I do)
To make it alright for you (to make it alright, tonight)
Tonight, tonight baby, baby

(Can I come over tonight)
Can I, can I, ohhh

Baby, baby yeah
Baby, baby yeah
Baby, baby yeah

Girl your man ain't nothing
If your man ain't me
Girl I swear I'll be there
For your every need
Ohhhh

You know he don't treat you right
(Can I come over tonight)
(Can I come over tonight) Tonight
You bet I'll be over tonight
(Can I come over tonight)
(Can I come over tonight)
Oh yeah yeah (Can I come over tonight)
Baby all you do is right
Let me be with you tonight
(Can I come over tonight)
You know he don't treat you right
(Can I come over)

What d'you want me to do
To make it alright for you
(To make it alright tonight) tonight
(Can I come over tonight)
Can I can I tonight (Can I come over)

(To make it alright tonight)
(What can I do)
