(I have no idea how accurate the beginning part is, I just wrote what I think the lyrics are)

9-5

Jordan knight

Remix

So tight

So slick

You ain't know

Y'all ready?

Here we go!

G- grab it if you want it

I- need it all the time

V- very high maintainence

E-v-e oh can't you see

I dream about it all the time

You shine

I wish you were mine

True, it's all about you

Give it to me and I'll give it to you

I'll say it again, like I said before

95 south coming through

Oh you ain't know

I'll give it to you and I go the loot

'cause I ain't never seen a girl as fine as you

I got it, you can get it, 'cause baby girl you all with it

So all along baby 'cause you know my name

So take a trip down south so we can do that thing

You say it's been too long (that's right)

Since you had some

You say I turn you on

Like fire that's burining inside

You think I'm the one

You see in your dreams

I know what you mean

Yeah (you know what I'm saying)

Its creepin around in my head

Me holding you down in my bed

You don't have to say a word

I'm convinced you want this

Baby

I know I can give it to you  
Can't deny, I'll do you right  
Just let me know and I'll give it to you  
Show me where, I'll taste you there  
Baby you know that I'll give it to you  
Your body needs a man like me  
Anything goes when I give it to you  
Without a doubt I'll turn you out  
The feelin is fine  
Giving you everything of mine

I'm the place to be  
And soon you'll see  
I don't care who leads  
As long as we do horizontally  
Anyone can make you sweat  
But I can keep you wet  
It's creepin around in my head  
Me holding you down in my bed  
I can't wait to give you some  
I'm convinced you need it

Baby, I know I can give it to you  
Can't deny, I'll do you right (I can do...)  
Just let me know, and I'll give it to you  
Show me where, I'll taste you there (I can taste you there)  
Baby, you know that I'll give it to you  
Your body needs a man like me (man like me)  
Anything goes when I give it to you  
Without a doubt (without a doubt) I'll turn you on (turn you on)  
The feelin' is fine  
Givin' you everything of mine

It's creepin' around in my head (in my head)  
Holding you down in my bed  
You don't have to say a word (uh)  
Just relax, I'll do the work  
I can't wait to give you some  
I'm convinced you need one, baby  
I know I can give it to you (I can)  
Can't deny, I'll do you right (I can't deny it)  
Just let me know, and I'll give you (yeah)  
Show me where, I'll taste you there (show me where... I'll taste you there)  
Baby you know I'll give it to you (oh)  
Your body needs a man like me (I know you want it)  
Anything goes when I give it to you (you know I'll... know

I'll)

Without a doubt I'll turn you out (... know I'll give you)

I want to satisfy your every wish and mine (just let me know)

Baby, I know just what you need (I know just what you need)

(oh no, no, no) no one could ever do you like I do you right baby (i.. I .. could do it right)

There's nothing we can't do cause we do it right baby

We can do... give it to you... baby

The feelin' is fine giving you everything of mine
