Verse One

Now pardon me but
I'm a little confused
Cause nobody else has ever
Made me feel the way you do
So let me know if I
Can come and get inside
I could take you on a ride
Let me take you home tonight

Chorus

Cause you know I'm feelin' you
And you know what I wanna do
Oh oh, oh oh oh
I'll take you home tonight
Cause you know you're so damn sexy
And I'll take you if you let me
Oh oh, oh oh oh
I'll take you home tonight

Verse Two

Now honestly I
I wanna leave this party
And I've already started
But I wanna push up on all your body
Just let me know what
I'll do whatever you like
We'll be up till the morning
When I take you home tonight

Chorus

Cause you know I'm feelin' you
And you know what I wanna do
Oh oh, oh oh oh

I'll take you home tonight
Cause you know you're so damn sexy
And I'll take you if you let me
Oh oh, oh oh oh
I'll take you home tonight

Bridge

Don't get me wrong cause I
Don't want this thing to end after only one night
But there's something that you've got
That makes me wanna get inside

Chorus

Cause you know I'm feelin' you
And you know what I wanna do
Oh oh, oh oh oh
I'll take you home tonight
Cause you know you're so damn sexy
And I'll take you if you let me
Oh oh, oh oh oh
I'll take you home tonight

Chorus

Cause you know I'm feelin' you
And you know what I wanna do
Oh oh, oh oh oh
I'll take you home tonight
Cause you know you're so damn sexy
And I'll take you if you let me
Oh oh, oh oh oh
I'll take you home tonight
