Verse One

They told me I'd never make it through
They told me I'd never do
They told me that I wasn't right
But I know that I'm gonna be alright

Pre Chorus

Oh no, I know that I can make it
Oh no, they said I can't take it
Oh no, I'm gonna make them see
That now it's time to be

Chorus

On my own
I've got to do it alone
On my own
I've got to do it alone
On my own

Verse Two

I'm okay with things being this way
I'm okay I've got to say
I'm happy I can finally be me
And I want the entire world to see

Pre Chorus

Oh no, I know that I can make it
Oh no, they said I can't take it
Oh no, I'm gonna make them see
That now it's time to be

Chorus

On my own
I've got to do it alone
On my own
I've got to do it alone
On my own

Bridge

For those who doubted
Now you know I did it
I'm all about it

And I've got to admit
It feels so good
To know I could
When I'm...

Chorus
On my own
I've got to do it alone
On my own
I've got to do it alone

Chorus
On my own
I've got to do it alone
On my own
I've got to do it alone
On my own
