I love rock and I sure know how to roll
He likes the beat from the street no volume control
Loops and rhymes
I've sold my soul for rock and roll

When we dance its so crazy how he moves me
We are Weezer and the Roots
Am I to say who's wrong?

He's the hip hop in my rock 'n' roll world
Who's to say that this will never work?
He is the hip hop in my rock n roll world
A hip hop boy and a rock 'n' roll girl
A hip hop boy and a rock 'n' roll girl

A strange romance it's just music after all
We get deeper and deeper with every speaker we blow
No one's ever
Loved me louder than you do

Don't stop playin to me baby
Everything is everything
we're both a little crazy in love
I've found what I'm looking for

He's the hip hop in my rock 'n' roll world
Who's to say that this will never work?
He is the hip hop in my rock 'n' roll world
A hip hop boy and a rock 'n' roll girl
A hip hop boy and a rock 'n' roll girl

Who'd have ever thought we'd
Be so perfect in harmony
Who'd have thought I'd be all you need
I never dreamed you'd be so good for me

He's the hip hop in my rock 'n' roll world
who's to say that this will never work?
He is the hip hop in my rock n roll world
A hip hop boy and a rock 'n' roll girl
A hip hop boy and a rock 'n' roll girl
