[Sister Sledge cover]

Get up everybody and sing

Everyone can see we're together as we walk on by  
(And) And we fly just like birds of a feather  
I won't tell no lie  
All of the people around us they say (they say)  
Can they be that close (that's right)  
Just let me say for the record  
We're giving love as a family does

We are family  
I got all my sisters with me  
We are family (we are family)  
Get up everybody and sing  
We are family  
I got all my sister with me (i got all my sisters)  
We are family (oo yeah)  
Get up everybody and sing (sing sing sing)

Oo yea  
We are family

Livin' life if fun and we've just begun  
To get our share of this worlds delights  
(High) High hopes we have for the future  
And our goals in sight  
(We) No we don't get depressed  
Here's what we call our golden rule  
Have faith in you and the things you do  
You won't go wrong  
This is our family jewel

We are family (hey hey sing it to me)  
I got all my sisters with me (sing it to me)  
We are family (o I can here you now)  
Get up everybody and sing (sing sing sing)  
We are family (have faith in you and the things you do)  
I got all my sisters with me (sing it to me)  
We are family (o yea)

Get up everybody and sing (sing sing sing)

Doo doo doo doo doo doo doo doo doo
