I see you with him
And I see you laughing
And I see you flipping you hair
Like you think your hypnotizing my man
But it's not gunna go as you plan

Da da da da da da
Da da da da da da

You think you're clever
But I got something better
My guy he texts me letters
Spelling TGIC

And only I know
Only I know
What that means
(This girl is crazy)

No your not
No your not
No your not
No your not
No your not

You're not gunna steal my Boyfriend
You're not gunna steal him, not now
You're not gunna steal my Boyfriend
No way, No where
No how

You're not gunna steal my Boyfriend
No matter how you work it
You're not gunna steal my Boyfriend
And that's the final verdict

So don't think you'd ever have a shot
Cause if you had a shot
You'd miss completely

I see you flirting
But his head you wont be turning

Instead you'll just be learning
How a real relationship flows
And there's no where with you he's gunna go

Da da da da da da
Da da da da da da

So put your hips back in check
And try never to forget
My guy your not gunna get
So what you tryin to prove
He's never gunna leave here with you
No no oh oh oh oh oh

No your not
No your not
No your not
No your not
No your not

You're not gunna steal my Boyfriend
You're not gunna steal him, not now
You're not gunna steal my Boyfriend
No way, No where
No how

You're not gunna steal my Boyfriend
No matter how you work it
You're not gunna steal my Boyfriend
And that's the final verdict

So don't think you'd ever have a shot
Cause if you had a shot
You'd miss completely

Oh oh
Yeah
Oh no
Oh oh no
Oh oh oh oh no
No no
Oh oh no
Oh oh no
Oh

Did you really think you had a chance with him
Is your perception of us that ignorant
(Ignorant)
Do you really think that I would let you win
How does it feel to loose before you begin
(Should know by now)

Know by now
No your not
No your not
No you aint ever gunna steal me girl

No your not
No your not
No you aint ever gunna steal me girl

You're not gunna steal my Boyfriend
You're not gunna steal him, not now
You're not gunna steal my Boyfriend
No way, No where
No how

You're not gunna steal my Boyfriend
No matter how you work it
You're not gunna steal my Boyfriend
And that's the final verdict

So don't think you'd ever have a shot
Cause if you had a shot
You'd miss completely
