Well I, thought I knew you  
Thinking, that you were true  
I guess I, I couldn't trust  
Called your bluff time is up  
'Cause I've had enough  
You were, there by my side  
Always, down for the ride  
But your, joy ride just came down in flames  
'Cause your greed sold me out of shame, mmhmm

After all of the stealing and cheating  
You probably think that I hold resentment for you  
But, uh uh, oh no, you're wrong  
'Cause if it wasn't for all that you tried to do  
I wouldn't know just how capable I am to pull through  
So I wanna say thank you

'Cause it makes me that much stronger  
Makes me work a little bit harder  
It makes me that much wiser  
So thanks for making me a fighter  
Made me learn a little bit faster  
Made my skin a little bit thicker  
Makes me that much smarter  
So thanks for making me a fighter

How could this man I thought I knew  
Turn out to be unjust, so cruel  
Could only see the good in you  
Pretended not to see the truth  
You tried to hide your lies, disguise yourself  
Through living in denial  
But in the end you'll see  
You won't stop me

I am a fighter and I  
I ain't goin' stop  
There is no turning back  
I've had enoughhhhhh

Yeah, Oh, You Know, You Know

Thanks for making me a fighter  
Makes me that much smarter  
So thanks for making me a fighter
