I feel your eyes on my, the fire in between.

When you gonna cross the line?

We don't even need this party on the beach,

But I won't be the first this time.

You keep lookin' back over ya shoulder,

I feel like I'm fallin', I don't even know ya.

Hey shy boy, are we gonna meet?

If you're into me then you better leap.

Hey shy boy, on the edge of my seat,

Can you take the heat?

I'm waiting to see.

Hey shy boy, boy, boy.

Hey shy boy, boy, boy.

Hey shy boy.

Hey shy boy, boy, boy.

If you want me, let it show, I hate to take it slow,

I ain't got all night.

I'm so in, in control, you don't even know.

If I got to make the move I might.

Oh, I'm sending you signs, tell me what's not to get?

Your friends will be fine any time that we left.

Hey shy boy, are we gonna meet?

If you're into me then you better leap.

Hey shy boy, on the edge of my seat,

Can you take the heat?

I'm waiting to see.

Hey shy boy, boy, boy.

Hey shy boy, boy, boy.

Hey shy boy.

Hey shy boy, boy, boy.

Don't hesitate, don't make me wait.

That's something I won't do.
Can you keep my pace, 'cause I like the chase.

Hey shy boy, are we gonna meet?
If you're into me then you better leap.
Hey shy boy, on the edge of my seat,
Can you take the heat?
I'm waiting to see.
Hey shy boy, boy, boy.
(Hey shy boy.)
Hey shy boy, boy, boy.
(Hey shy boy.)
Hey shy boy, boy, boy.
(Baby can you take the heat?)
Hey shy boy, boy, boy.
(Ooh you better take the leap.)
Hey shy boy, boy, boy. Hey shy boy, boy, boy.
(Hey shy boy. Hey shy boy.)
Hey shy boy, boy, boy. Hey shy boy, boy, boy.
(Hey shy boy. Hey shy boy.)
Hey shy boy.
