I don't  
Believe in us  
Anymore  
Oh Oh Oh

Dont know why  
I even tried  
For so long  
I'm Gone

Sit back got a story now  
About a guy that i fell in love with  
Started out so beautiful  
Went down, down hill from there

He used to care  
Used to take me everywhere  
Used to make me feel loved  
Loved, so loved

I don't  
Believe in us  
Anymore  
Oh Oh Oh

Dont know why  
I even tried  
For so long  
I'm Gone

Hey girls, just lookin' out  
You gotta see through the perfect ones that  
Tell you what you wanna hear  
Then do the opposite

If he don't call when he says hes gunna call

Then delete his number  
and just forget him  
Just forget him

I don't

Believe in us  
Anymore  
Oh Oh Oh

Dont know why  
I even tried  
For so long  
I'm Gone

Oh  
Im gone

Been waiting for the day  
Where i dont have to wait  
for a guy that wont be late  
Wont be afraid to give me his heart

Cause i'm not gunna try  
If you're not gunna try  
You can go  
You can leave right now

Oh  
Hoo  
Oh Oh  
Whoa

I don't  
Believe in us  
Anymore  
Oh Oh Oh

Dont know why  
I even tried  
For so long  
I'm Gone  
I'm Gone
