It was magical, beautiful
I didn't know how it all began
One day, twenty four hours
It didn't turn out how I planed

Cause I did not expect to feel the way
The way I do, from a single day
And both of us we knew we could not stay
You had yours, I had mine
So relax, but at least we had the night
(Lyrics by Permission to fly)

I was in love for a day
Love
In a way
Love
Can't explain
Why you went away

Love
It's a shame
Love
You didn't stay
Love
With me
(Uh uh uh)

Forgettable, Incredible
I didn't know how to handle it
I was unprepared
Maybe a little scared
Of something I may never get
Ooh yeah

I was never one to believe
Love at first sight
Could get to me

And maybe if these feelings
Stay the same
I'll be with you again
(Someday)

But baby either way

I was in love for a day

Love

In a way

Love

Can't explain

Why you went away

Love

It's a shame

Love

You didn't stay

(You didn't stay)

Love

With me

(Uh uh uh)

And maybe someday

We will reconnect

It was so powerful

I can't believe it's over yet

The way you play back in my mind

Makes it hard to forget you

(You, you)

I know you have your life,

And I've got mine

But someday

Maybe we'll recollide

But until then

Baby I know

(I know)

I was in love for a day

Love

In a way

Love

Can't explain

Why you went away

Love

It's a shame

Love

You didn't stay

(You didn't stay)

Love

With me

(Uh uh uh)

If you hear me

If you hear me halla

If you hear me
If you hear me halla

Love
In a way
Love
Can't explain
Why you went away

Love
It's a shame
Love
You didn't stay
Love
With me
With me
With me
With me
