Ohh yeah
I see you standing by your locker all day
I wanna say hey
But boy Im too shy to break the ice
I know you know alot of my friends
I heard this from them
Your not only fine, your so nice
(We can see that)
Because of you I got it so bad (so bad)
I wonder if you know
(Your the one boy)
But I need help with my approach boy

-Chorus-

If only you could step in my shoes
You know, how I feel
You know that Im good for you
If only you could step in my shoes
Baby it seems what I mean and let me just make a
move
If only you could step in my shoes
Step in my shoes
Baby I
Baby I
Step in my shoes
Baby I
Baby I

Sometimes I think your looking over at me
Like Im what you need
But maybe its all in my mind
I wish that I could give you a call confessing it all
And one of these days I just might
(Get your number)
Get your number
But for now I'll have to wonder (wonder)
[In My Shoes Lyrics On]

-Chorus-

If only you could step in my shoes
You know, how I feel
You know that Im good for you

If only you could step in my shoes
Baby it seems what I mean and let me just make a
move
If only you could step in my shoes
Step in my shoes
Baby I
Baby I
Step in my shoes

Baby I

What would it be like if you werent walking right by
If I fess up, said whats up
Would I get a reply
If you knew what I knew
I bet that you would smile
You see it through my eyes

If only you could step in my shoes

-Chorus-

If only you could step in my shoes
You know, how I feel
You know that Im good for you
If only you could step in my shoes
Baby it seems what I mean and let me just make a
move
If only you could step in my shoes
Step in my shoes
Baby I
Baby I
Step in my shoes
Baby I
Baby I
Step in my shoes
Baby I
Baby I
Step in my shoes
Baby I
Baby I
In my shoes
