(Jordan / Neigher)

Let me tell you all a story 'bout this time I was down and out

Just goes to prove there's always a light on

But if you look you'll find it's inside of you

So I want y'all to listen up

I Been sitting here all night

Tryin' to make this thing word out right

I been getting nowhere fast

Suddenly as I lay down on the bed

I hear a little voice inside my head

It says if you want to do it girl - you got to have some faith

Come over here and listen - hurry up or you'll be late

Chorus :

Listen to my story

Listen to me well

Ooh I will make you a believer

If you're feeling sorry for yourself I can tell

Ooh I will make you a believer

Yeah - I will make you a believer

So you been trying to make amends for

The bloodsuckers you call friends

Drag you deep into the hole

Crazy - that you'd let them into your world

They will take your diamonds, baby they will steal your pearls

If you want to play the game

You got to lose the rules

You can play with passion

Rules are just for fools

CHORUS

You got to learn to fall in love with what's inside

Get on the horse I wanna ride

I got a reason to believe the light's inside

Some things I can have now

Some things have to wait

Some things I will never get

I will always - I will always have my faith
