(Yeah, yeah, yeah, yeah, yeah, yeah, yeah)  
She's a walking casting call  
A fashion runway doll  
Her 4.0 comes naturally  
She's good at everything  
She's got a following  
An entourage of copy queens  
No need to try out for the school play  
You know she'll get the lead anyway  
Yeah

She's the girl that you love to hate  
She's a heart stopping double take  
Everyone knows that she's got it made  
Workin' hard to be  
Miss Popularity

She wears the cutest clothes  
She has the latest phone  
And all the right accessories  
Her skin's like porcelain  
Her hair is perfect and  
Sometimes she really gets to me  
She's gorgeous and you know she knows it  
She's a size zero and she loves to show it  
Yeah

She's the girl that you love to hate  
She's a heart stopping double take

Everyone knows that she's got it made  
Workin' hard to be  
Miss Popularity  
She's the girl that you love to hate  
She's a heart stopping double take  
Everyone knows that she's got it made  
Workin' hard to be  
Miss Popularity

She's every teacher's pet  
There ain't no guy that she can't get  
Her daddy Ken is loaded

And her mommy drives a pink Corvette

Ooh whoa whoa whoa

Ooh whoa whoa

Ooh whoa whoa

Workin' hard to be

Oh

Miss Popularity

She's the girl that you love to hate

She's a heart stopping double take

Everyone knows that she's got it made

Workin' hard to be

Miss Popularity

She's the girl that you love to hate

She's a heart stopping double take

Everyone knows that she's got it made

Workin' hard to be
