Yeah
Oh woah

2 AM and I'm still awake
I feel the beating of my heart break
Why'd you have to be so mean
Oh, I thought you said you loved me
Oooo, you let me down
And I wanna block you out

You're everywhere I go
You're the eyes on every face
When all I wanna do is,
Runaway
You're the voice inside my head
That doesn't let me forget
Theres no way to
Runaway (x 5)
Theres no way to
Runaway

Oh, Baby don't think that I don't know
About every little lie you told
And when you feel the tears behind your eyes
Oh I hope, I hope, I hope you realize (poo, yeah)
Oooo You let me down
And I'll do anything to block you out

You're everywhere I go
You're the eyes on every face
When all I wanna do is,
Runaway
You're the voice inside my head
That doesn't let me forget
Theres no way to
Runaway (x 5)
Theres no way to
Runaway

Ooo, I try and change my mind
And I thought that I was doing fine
But you were a step behind

Do what you do to pull me back
To you

You're everywhere I go
You're the eyes on every face
When all I wanna do is,
Runaway
You're the voice inside my head
That doesn't let me forget
Theres no way to
Runaway (x 5)
Theres no way to
Runaway
