Secrets
Are no good
Yeah

I know your secrets
I know who you're really with
You told me one thing
And I saw something different

Why all the secrets
You could of told me
Who your really with
So I didn't have to find out
That you'd be
Leaving me here like this

Do Do Do Do Do
Why'd you do it
Do Do Do Do Do
Why'd you do it

Guess I have to let you go
Cause I was the last the know
That our love was on the ropes
You just can't fix
What's already broke

So today I'll set you free
From the secret that you keep
It's so sad you had to sneak
You thought you had it all
But now you don't have me

(I thought I had it all)
You don't have me
(I should of had it all)
You can't have me
(I would of had it all)

Ooh yeah

Humiliated

All I wanted was the truth
Not appreciated
Was it not good enough for you

Manipulated
You put the cover
Over my eyes
So I couldn't see
What you were doin'
You were just
A player in disguise

Do Do Do Do Do
Why'd you do it
Do Do Do Do Do
Why'd you do it

Guess I have to let you go
Cause I was the last the know
That our love was on the ropes
You just can't fix
What's already broke

So today I'll set you free
From the secret that you keep
It's so sad you had to sneak
You thought you had it all
But now you don't have me

(I thought I had it all)
You don't have me
(I should of had it all)
You can't have me
(I would of had it all)

Ooh yeah

All your secrets
Hurt so bad

Oooh

Do Do Do Do Do
Why'd you do it
Do Do Do Do Do
Do Do Do Do Do
You didn't have to do it

Guess I have to let you go
Cause I was the last the know
That our love was on the ropes

You just can't fix
What's already broke

So today I'll set you free
From the secret that you keep
It's so sad you had to sneak
You thought you had it all
But now you don't have me

(I thought I had it all)
You don't have me
(I should of had it all)
No you can't have me
(I would of had it all)

Oh yeah
(Uh uh uh uh)
(I thought I had it all)
(I would of had it all)
(I should of had it all)
(Uh uh uh uh)

(I thought I had it all)
Da Da Da Da
(I should of had it all)
Da Da Da Da
(I would of had it all)
Ooh yeah
