I don't wanna get up  
'Cause I couldn't sleep last night  
I wanna stay in bed all day  
Watch the TV and cry

Boy you've got me wound up  
I'm down and I won't lie  
You've made a fool of me  
Now my heart is so empty

And all the simple things  
Remind me just how good it used to be  
But now you're gone, ain't you baby?  
Do all the simple things  
Remind you just how much you cared for me  
But we're all alone now, ain't we?

I just need a haircut  
Get my independence back  
Need my mom to call up  
Have a real long girly chat

How am I supposed to move on  
When you're the best thing I ever had?  
How could you walk away  
And not even look back?

And all the simple things  
Remind me just how good it used to be  
But now you're gone, ain't you baby?  
Do all the simple things  
Remind you just how much you cared for me  
But we're all alone now, ain't we?

The T shirt that you left behind  
(Rewind)  
The voice mail that I play all the time  
(Rewind)  
The photo of us on the shelf  
(Rewind)  
Laughing it off when the car broke down  
(Rewind)

Watching DVD's and falling asleep  
(Rewind)  
Your text message that I can't delete  
(Rewind)  
The keychain of your name that I got  
(Rewind)  
I could go on and on and on and on  
How we used to be

And all the simple things  
Remind me just how good it used to be  
But now you're gone, ain't you baby?  
Do all the simple things  
Remind you just how much you cared for me  
But we're all alone now, ain't we?

I don't wanna get up
