Hang all the mistletoe  
Im gonna get to know you better, yeah  
This christmas  
And as we trim the tree  
How much fun its gonna be together, yeah  
This christmas

Fireside is blazing bright  
Were caroling through the night  
And this christmas, will be  
A very special christmas, for me yeah ha

Break it down, break it down now  
mmmm

Presents and cards are here  
My world is filled with cheer and you  
This christmas  
And as I look around  
Your eyes outshine the town, they do  
This christmas  
The fireside is blazing bright  
Were caroling through the night

And this christmas, will be  
A very special christmas, for me  
ohhh  
yea

Merry Christmas  
This christmas  
This christmas  
The fireside is blazing bright  
Were caroling through the night  
And this christmas, will be  
A very special christmas, for me ohhh

Break it down, break it down now  
ohhh ohhhh  
And give your heart to a friend now  
What do you want for christmas?
