There was a time I packed my dreams away  
Living in a shell, hiding from myself.  
There was a time when I was so afraid

I thought I'd reached the end.  
Baby, that was then.  
But I am made of more than my yesterdays.

This is my now,

And I am breathing in the moment.  
As I look around,  
I can't believe the love I see.

My fear's behind me,  
Gone are the shadows and doubt.  
That was then.  
This is my now.

I had to decide.  
Was I gonna play it safe?  
Or look somewhere deep inside,  
Try to turn the tide.  
Find the strength to take that step of faith?

This is my now,

And I am breathing in the moment.  
As I look around,  
I can't believe the love I see.

My fear's behind me,  
Gone are the shadows and doubt.  
That was then.  
This is my now.

I have a courage like never before, yeah.  
I settled for less, but I'm ready for more.

Ready for more?

This is my now,  
And I am breathing in the moment.  
As I look around,  
I can't believe the love I see.

My fear's behind me,  
Gone are the shadows and doubt.  
That was then.  
This is my now,

And I am breathing in the moment.  
As I look around,  
I can't believe the love I see.

My fear's behind me,  
Gone are the shadows and doubt.  
That was then.

This is my now.  
This is my now.
