(feat. Max Schneider)

You had me hooked again from the minute you sat
down
The way you've bite your lip got my head spinning
around,
After a drink or two I was body in your hands,

I don't know if I had the strength to stand.

A trouble-troublemaker yeah, that's your middle name
ohh
I know you no good, but you're stuck in my brain
And I wanna know, why does it feel so good to hurt so
bad?
Ohh, my mind keep saying "run as fast as you can!"
I say I'm done but then you pull me back, ohh
I swear you're giving me a heart attack.
Troublemaker, ohh
Uh ohh

It's like it's always there in the corners of my mind
I see you suit in every time I close my eyes
There must be poison in those things tipsy yours
'cause I keep coming back again for more
Ohh!

A trouble-troublemaker yeah, that's your middle name
ohh
I know you no good, but you're stuck in my brain
And I wanna know, why does it feel so good to hurt so
bad?
Ohh, my mind keep saying "run as fast as you can!"
I say I'm done but then you pull me back, ohh
I swear you're giving me a heart attack.

Maybe I'm insane, 'cause I keep doing the same damn
thing
And one day we're gonna change, but you know how to
work that back
and make me forgive my name,

What the hell you do, I won't remember, baby! uh yeah!

(2 x)

Why does it feel so good to hurt so bad?

Ohh, my mind keep saying "run as fast as you can!"

I say I'm done but then you pull me back, ohh

I swear you're giving me a heart attack.

Troublemaker, ohh
