Yeah

Iâ€™m sitting here and all the time Iâ€™m mine,  
Are these sides of you,  
Iâ€™m wishing that the time would just fly by Whoa oh,  
Cause even though its only days away,  
It sure feels like forever,  
I canâ€™t wait to be with you oh oh oh,  
I get another way you make me feel,  
I hope it never ends,  
Iâ€™m counting every second till I see you again,  
Cause now you already know what  
Happens when were together,  
I donâ€™t know what Iâ€™ll do or how to  
Make it through to this,  
Oh no, no, no  
I canâ€™t wait for the weekend  
Thatâ€™s the story of my life  
Oh no, no, no  
I canâ€™t wait for the weekend,  
I canâ€™t wait for Friday night,  
I changed my clothes a million times,  
Donâ€™t know what I wanna wear,  
I bought new shoes and I got highlights in my hair,  
Cause even if itâ€™s only for a night,  
I want every thing to be just right,  
Going to last forever oh, oh, oh  
His head in mine, mine in his,  
I look in his eyes it makes me wish  
That Iâ€™ll always feel like this,  
Iâ€™m counting every minute every day,  
I just wanna pass the time away,  
Cause I donâ€™t know what to,

Donâ€™t know what to do,  
Oh no, no, no  
I canâ€™t wait for the weekend,  
Thatâ€™s the story of my life  
Oh no, no, no  
I canâ€™t wait for the weekend,  
I canâ€™t wait for Friday  
Oh no, no, no  
I canâ€™t wait for the weekend,

That's the story of my life,  
Oh no, no, no  
I can't wait for the weekend,  
I can't wait for Friday night,  
Oh, oh, waiting for the weekend,  
Waiting for, I'm waiting for,  
Oh, oh, waiting for the weekend,  
Oh no, no, no, no  
I can't wait for Friday night,  
Wait no, Wait no  
I can't wait for the Weekend,  
That's the story of my life,  
Oh no, no, no  
I can't wait for the weekend,  
I can't wait for Friday night  
Oh no, no, no  
I can't wait for the weekend,  
It's the story of my life  
Oh no, no, no  
I can't wait for the weekend,  
I can't wait,  
Just sitting around can't wait to see you,  
Oh yeah I can't wait for the weekend,  
I can't wait no, I can't wait no  
Oh no, no, no  
I can't wait for the weekend,  
Just sitting around can't wait to see you
