Ooh...

I can feel your eyes from across the room
Like a magnet pulling me close to you
And I can't fight back
All that I can do is give in

You can catch my breath as you reach for me
No I won't hold back any piece of me
'Cause we're face to face
Can you feel the beat of my heart?

What a feeling (what a feeling, feeling)
What a feeling (what a feeling, feeling)
I feel the passion
Let it happen tonight
What a feeling, feeling
What a feeling, feeling

Yeah we've come so far that we can't stop now
There's a fire inside that we can't put out
And you take me high
So I can't touch down anymore

What a feeling (what a feeling, feeling)
What a feeling (what a feeling, feeling)
I feel the passion
Let it happen tonight

What a feeling (what a feeling, feeling)
What a feeling (what a feeling, feeling)
I feel the passion
Let it happen tonight
What a feeling, feeling
What a feeling, feeling

Yeah the beats so hot that we just let go
And I'm so far gone I could lose my soul
So close your eyes
Let the music take control

What a feeling (what a feeling, feeling)

What a feeling (what a feeling, feeling)
I feel the passion
Let it happen tonight

What a feeling (what a feeling, feeling)
What a feeling (what a feeling, feeling)
I feel the passion
Let it happen tonight
What a feeling, feeling tonight
What a feeling, feeling tonight

Yeah the beats so hot that we just let go
And I'm so far gone I could lose my soul
What a feeling, feeling tonight
