Do you remember when
The sun rose in clear sky.
Well if it deosn't now -
Do you ever wonder why.
Wonder why it's always raining
Its always raining
Where you stand
Oh and ain't it time I lent a hand
Oh and when the time is come
And you and I are near
Its a long way to climb
From down here

Well Im watching you
As you fall
And I wonder why
Why you ever come down at all
Oh, and if one day
I see you fly away
Ill just watch you fly
That's the way you want to stay
Oh and when the time is come
And you and I are near
Its a long climb down
From up here
