Well I, thought I knew you
Thinking, that you were true
I guess I, I couldn't trust
Called your bluff time is up
'Cause I've had enough
You were, there by my side
Always, down for the ride
But your, joy ride just came down in flames
'Cause your greed sold me out of shame, mmhmm

After all of the stealing and cheating
You probably think that I hold resentment for you
But, uh uh, oh no, you're wrong
'Cause if it wasn't for all that you tried to do
I wouldn't know just how capable I am to pull through
So I wanna say thank you

'Cause it makes me that much stronger
Makes me work a little bit harder
It makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter

How could this man I thought I knew
Turn out to be unjust, so cruel
Could only see the good in you
Pretended not to see the truth
You tried to hide your lies, disguise yourself
Through living in denial
But in the end you'll see
You won't stop me

I am a fighter and I
I ain't goin' stop
There is no turning back
I've had enoughhhhhh

Yeah, Oh, You Know, You Know
Thanks for making me a fighter

Makes me that much smarter
So thanks for making me a fighter
