I I who have nothing
I I who has no none
Adores you and wants so
I'm just a no one
With nothing to give you
But I I love

You, you buy her diamonds
Bright, sparkling diamonds
But believe me
Dear when I say
She can give you the world
But she'll never love you
The way I love

She can take you any where she wants
To fancy clubs and restaurants,
Where I can only watch you with my nose pressed up
against the window pane

I love you
I love you
I love you
