I can't help myself  
If I don't wanna be with nobody else  
I don't wanna leave my baby's side  
And I don't wanna kiss another guy

I'll pass any test  
Cause nothing in this world or in the next...  
Could make me second guess  
Could make me change my mind  
Could make me not protect what I'm feeling inside

Because I'm...  
Smart enough to know that this is a good thing  
Please believe it, please believe it  
And I'm smart enough to stay right where I belong  
And I'm faithful enough to know that this is meant to be  
And if it's not, then don't speak  
Don't ruin it, let me dream

(Chorus:)  
Hear me, Here me  
This is for my baby  
There will never be another  
There's so many ways I love ya  
And that's just for the record babe  
I need you, need you  
I can't wait to see you  
I so love when we're together  
Can't nobody do it better  
And that's just for the record babe

I can't be perfect  
No one is flawless  
But rest in mind  
Cause I'll be there through the good and the bad  
And the ugly and worst  
So if it's something that you're lacking, go and tell me  
first

Cause I'm...  
Smart enough to know that this is a good thing, yeah  
Smart enough to stay right where I belong, oh no no no

And I'm faithful enough to know that this is meant to be  
And if it's not, then don't speak  
Don't ruin it, let me dream

(Chorus)

So if there's anyway to cheat  
Don't tell me cause I don't wanna know  
And if there's anyway to leave  
Don't tell me cause I don't wanna go  
I don't wanna go to sleep  
Cause I don't wanna miss ya  
This is my team  
And I love my position  
Lead me anywhere  
I'll go with you there, I'll go with you there

(Chorus x2)
