### "Quarter-Life Crisis"

So I've been hearing  
"You're not really old"  
And youth is something  
The young cannot hold  
And I remember when I heard the news  
Yeah, 'til then I thought I sang the blues

(Chorus)  
Cause it's a quarter-life, a quarter-life  
A quarter-life crisis -  
And I don't have what it takes to fight this, no, no, no  
It's a quarter-life, a quarter-life, some quarter-life  
crisis  
Can you give me what I need to right this?  
No!

An old friend is long gone  
With his young man's disease  
I was standing tall  
Now I'm down on my knees  
We stare up at sunsets  
Till they burn away  
Oh and oh it's been so, so long  
Since I got down to pray

(Bridge)  
And the sun goes up and the sun goes down  
But it's not enough to keep 'em around  
And the sun goes up and the sun goes down for me  
For you  
And me

(Chorus)

So I've been hearing  
"You're not really old"  
And youth is something  
The young cannot hold  
But that don't mean  
The rain is worth a try  
We line the clouds for all we're worth

And then we say goodbye
