There was a time I packed my dreams away
Living in a shell, hiding from myself.
There was a time when I was so afraid

I thought I'd reached the end.
Baby, that was then.
But I am made of more than my yesterdays.

This is my now,

And I am breathing in the moment.
As I look around,
I can't believe the love I see.

My fear's behind me,
Gone are the shadows and doubt.
That was then.
This is my now.

I had to decide.
Was I gonna play it safe?
Or look somewhere deep inside,
Try to turn the tide.
Find the strength to take that step of faith?

This is my now,

And I am breathing in the moment.
As I look around,
I can't believe the love I see.

My fear's behind me,
Gone are the shadows and doubt.
That was then.
This is my now.

I have a courage like never before, yeah.
I settled for less, but I'm ready for more.

Ready for moreÂ...

This is my now,

And I am breathing in the moment.
As I look around,
I can't believe the love I see.

My fear's behind me,
Gone are the shadows and doubt.
That was then.
This is my now,

And I am breathing in the moment.
As I look around,
I can't believe the love I see.

My fear's behind me,
Gone are the shadows and doubt.
That was then.

This is my now.
This is my now.
