On the top the Christmas... gave to me  
Twelve... eleven... is pippin  
Ten on... nine ladies dancing  
Eight... milking, seven... swimming  
Six... five through the...  
Four falling birds, the three French hands  
Two turtle dugs and a... in that...

Chorus:  
Angels are singin  
The snow is fallin down  
The bells are ringin  
Can't you hear them  
Can you hear the sound

On the top the Christmas... gave to me  
Twelve... eleven... is pippin  
Ten on... nine ladies dancing  
Eight... milking, seven... swimming  
Six... five through the...  
Four falling birds, the three French hands  
Two turtle dugs and a... in that...

Chorus:  
Angels are singin  
The snow is fallin, it's falling down

The bells are ringin  
Can't you hear them  
Can you hear the sound  
Angels are singin  
The snow is it's falling all around  
The bells are ringin  
Can't you hear them  
Can you hear the sound

Let the light come shining...  
Just make a wish it will come true  
My love came to me

Chorus:

Angels are singin  
The snow is it's falling all around  
The bells are ringin  
Can't you hear them  
Can you hear the sound  
Angels are singin  
The snow is fallin, it's falling down  
The bells are ringin  
Can't you hear them  
Can you hear the sound  
Can't you hear it  
Can you hear it, I will miss it
