I could have lost it all,  
Trying to be your one and only, ah!  
I almost came undone,  
But I gotta free myself this moment, oh!

Pre chorus:

So shut up, shut up, shut up  
I'm about to get up, get up, get up  
Now that I can see clear  
Baby, I'm a break free, I'm out of here, yeah!

Chorus:

Enough is enough,  
And I made up my mind, I gotta take it on,  
The first thing on tonight!  
Flowing my hands up!  
And I mean it this time,  
Baby I'm done, I'm gone, I'm ghost up... tonight!  
I'm out, I'm out ohh  
I'm out, I'm out, I'm out I'm out  
Baby I'm done, I'm gone, I'm ghost up... tonight!

You used to be the one,  
But I slowly became the option.  
You gotta take your time,  
No more holding on!  
I gotta face my fear I'm falling

Pre chorus:

So shut up, shut up, shut up  
I'm about to get up, get up, get up  
Now that I can see clear  
Baby, I'm a break free, I'm out of here, yeah!

Chorus:

Enough is enough,  
And I made up my mind, I gotta take it on,  
The first thing on tonight!  
Flowing my hands up!  
And I mean it this time,  
Baby I'm done, I'm gone, I'm ghost up... tonight!

I'm out, I'm out ohh  
I'm out tonight I'm out, I'm out I'm out  
Baby I'm done, I'm gone, I'm ghost up... tonight!

I'll spend the door  
I won't look back  
Just no one is gonna dream you like that  
Dream it like that  
Normally... in the past oh  
Baby last tear  
'Cause boy I'm through with all my dues  
... tonight

[Chorus:]  
I'm out tonight  
I'm out tonight, I'm out  
Baby I'm done, I'm gone, I'm ghost up... tonight!
