I thought that hiding all my feelings  
Was protecting my heart  
So I never built anything  
High enough to fall apart  
And what I was looking for  
Didn't know where to start  
I can't believe this is happening

The day I met you  
I said welcome to the rest of my life  
Cause you created a new me  
And all the emptiness died  
I was afraid to give love another try  
Now I can't believe this is happening

I know that this might get me in trouble  
But it's time I let my defenses down  
Cause I am no longer afraid of a struggle  
Oh I've overcome  
Oh oh oh oh overcome  
Oh oh oh oh overcome  
I've overcome  
Oh oh oh oh overcome  
Oh I've overcome  
I've overcome

Guess I'm addicted to happiness  
I just can't get enough  
So I decided to give up pride and  
Surrender my trust  
I've got no choice left  
But to believe in us  
And finally this is happening

I know that this might get me in trouble  
But it's time I let my defenses down  
Cause I am no longer afraid of a struggle  
Oh I've overcome  
Oh oh oh oh overcome  
Oh oh oh oh overcome  
I've overcome

Oh oh oh oh overcome  
Oh I've overcome  
I've overcome

I finally let myself go  
I let all my guards down  
Baby, I'm yours now  
You're in control  
I took the chains off my soul  
And now I'm in love

I know that this might get me in trouble  
But it's time I let my defenses down  
Cause I am no longer afraid of a struggle  
Oh I've overcome  
Oh oh oh oh overcome  
Oh oh oh oh overcome  
I've overcome  
Oh oh oh oh overcome  
Oh I've overcome  
I've overcome

I don't care anymore  
I've overcome  
Oh I've overcome  
Oh oh oh oh overcome  
Oh oh oh oh overcome  
I've overcome  
Oh oh oh oh overcome  
Oh I've overcome  
I've overcome
