Hey, hey, hey, hey
If I, I was a Starbucks and you ordered me I'd a be a
caramel frap
If I, I was a guy I would play football
And I'd probably kick your ask me anything you wanna
know

I'm a human jukebox, I can sing the words to almost
any song
And I, I'm kinda clumsy but when I go down I just say
What the flowers make me sneeze so save your doe
In case you didn't know

I just wanna shout it out
Nothing is gonna bring me down
What you see is what you get
You don't even know me yet

Put me on your magazine
'Cause all your diets make me scream
Kinda cute but still a nerd
I'm just an average, just an average girl

Hey, hey, hey, hey
I, I'm five foot ten but still I love to walk around in four
inch heels
My hair, it's kinda kinky but I think it's really part of my
Appearances are never what they seem

I, I'm really dressy but not really, I am not hip with the
club scene
Take me on a date but Sasha says I'm gonna be the
Ring me, ring me on the telephone
In case you didn't know

I just wanna shout it out
Nothing is gonna bring me down
What you see is what you get
You don't even know me yet

Put me on your magazine
'Cause all your diets make me scream

Kinda cute, but still a nerd
I'm just an average, just an average girl, ooh

Just an average girl, ooh
You trying to set her, go get her
Hard hitter, whatever
A Lister, soul sister, ooh, ooh, ooh

I just wanna shout it out
Nothing is gonna bring me down
What you see is what you get
You don't even know me yet, yeah, yeah

Put me on your magazine
'Cause all your diets make me scream
Kinda cute, but still a nerd
I'm just an average, just an average girl
Hey, hey, just an average girl, just an average girl
