Now I'm about to give you my heart
But remember this one thing
I've never been in love before so you gotta go easy on
me
I heard love is dangerous
Once you fall you can never get enough
But the thought of you leaving ain't so easy for me
Don't hurt me
Desert me
Make me sorry I ever counted on you
1 2 3 4 to the 5
Baby I'm counting on you
1 2 3 4 to the 5
Baby I'm counting on you
Understand I've been here before
Though I found someone I finally could adore
But you failed my test
Gotta know her better
But I wasn't the only one
But I'm willing to put my trust in you
Baby you can put your trust in me
Just like a count of 3
You can count on me
And you're never gonna see
No numbers in my pockets
Anything I'm doing girl I'll drop it
For you
Cause you're the one I'm giving my heart to
But I gotta be the only one
1 2 3 4 to the 5
Baby I'm counting on you
1 2 3 4 to the 5
Baby I'm counting on you
1 2 3 4 to the 5
Baby I'm counting on you
Baby I'm counting on you
