Bungee jumped off the plane, sky scraped along the plains  
Deep dive in the ocean with no snorkels late at night  
Held my breath. underrated blind folded,  
walked on water..made my way to you 'cause  
You make it so possible.  
Well I admit that I've never been the type  
but for you I'd take the risk baby  
'Cause if your love equals height then I'm ready to fly  
for you my love has no limits  
I can touch the sky when I'm with you  
wondering why I feel so fearless-  
You're my mountain high as long as you're right by my side  
Baby I feel fearless

Tip-toed on the tight rope, I'll go where others dont go  
I'll do anything baby, anything as long as I'm with you  
Fearless I can heal with my hands  
I know you believe in me, drop the word try and just say  
I can

I admit that I've never been the type but for you I'd take  
the risk baby  
'Cause if your love equals height then I'm ready to fly  
for you my love has no limits  
I can touch the sky when I'm with you  
wondering why I feel so fearless-  
You're my mountain high as long as you're right by my side  
Baby I feel fearless  
I can touch the sky when I'm with you  
wondering why I feel so fearless-  
You're my mountain high as long as you're right by my side  
Baby I feel fearless  
Oh who'd ever know that you'd come along and set me  
free  
My eyes were opened baby but I couldn't see  
Now Im fearless to fall in love cause I know youll catch  
me

I can touch the sky when Im with you  
wondering why I feel so fearless-  
Youre my mountain high as long as you're right by my  
side  
Baby I feel fearless  
I can touch the sky when I'm with you  
wondering why I feel so fearless  
Youre my mountain high as long as youre right by my  
side  
Baby I feel fearless

I feel fearless.  
When I'm with you  
I feel fearless
