Don't lose your way
With each passing day
You've come so far
Don't throw it away
Live believing
Dreams are for weaving
Wonders are waiting to start
Live your story
Faith hope and glory
Hold to the truth
In your heart
If we hold on together
I know our dreams
Will never die
Dreams see us through
To forever
Where clouds roll by
For you and I
Souls in the winds
must learn how to bend
Seek out a star

Hold on to the end

Valley, mountain

There is a fountain

Washes our tears

All away

Words are swaying

Someone is praying

Please let us come

Home to stay

If we hold on together

I know our dreams

Will never die

Dreams see us through

To forever

Where clouds roll by

For you, you and I

When we are out there

In the dark

We'll dream about the sun

In the dark

We'll feel the light

Warm our hearts

Everyone

If we hold on together

I know our dreams

Will never die

Dreams see us through

To forever

As high

As souls can fly

The clouds roll by

For you and I
