Is there anything that can make you happy?  
I don't know what to say to make it better  
Seeing you like this, down and hurt so badly  
When you have been so kept together

What's this?  
All this time I thought you didn't need me  
Now I've gone from you and now you tell me

[Chorus]  
You're in love, but that's not what it was  
All those times that passed by with no signs  
And now you're telling me  
You miss me, boy why couldn't I see?  
And my heart don't agree with what you're telling me

You were nonchalant, strong, and unaffected  
And you never wanted me to be there  
I never saw your heart, that's how close you kept it  
So right now I'm so unsure how to care

What's this?  
All this time I thought you didn't need me  
Now I've gone from you and now you tell me

[Chorus]  
You're in love, but that's not what it was  
All those times that passed by with no signs  
And now you're telling me

You miss me, boy why couldn't I see?  
And my heart don't agree with what you're telling me

[Chorus]  
You're in love, but that's not what it was  
All those times that passed by with no signs  
And now you're telling me  
You miss me, boy why couldn't I see?  
And my heart don't agree with what you're telling me

No attention was given  
No affection from you to heal the hurt

I was hoping  
I was wishing  
Just to listen and to hear those words

[Chorus]

You're in love, but that's not what it was  
All those times that passed by with no signs  
And now you're telling me  
You miss me, boy why couldn't I see?  
And my heart don't agree with what you're telling me

[Chorus]

You're in love, but that's not what it was  
All those times that passed by with no signs  
And now you're telling me  
You miss me, boy why couldn't I see?  
And my heart don't agree with what you're telling me
