Jordin Sparks - One Step At A Time lyrics

[Verse 1]

Hurry up and wait  
So close, but so far away  
Everything that you've always dreamed of  
Close enough for you to taste  
But you just can't touch

[Bridge]

You wanna show the world, but no one knows your  
name yet  
Wonder when and where and how you're gonna make it  
You know you can if you get the chance  
In your face and the door keeps slamming  
Now you're feeling more and more frustrated  
And you're getting all kind of impatient waiting

[Chorus]

We live and we learn to take  
One step at a time  
There's no need to rush  
It's like learning to fly  
Or falling in love  
It's gonna happen and it's  
Supposed to happen that we  
Find the reasons why  
One step at a time

[Verse 2]

You believe and you doubt  
You're confused, you got it all figured out  
Everything that you always wished for  
Could be yours, should be yours, would be yours  
If they only knew

[Bridge]

You wanna show the world, but no one knows your  
name yet  
Wonder when and where and how you're gonna make it  
You know you can if you get the chance

In your face and the door keeps slamming  
Now you're feeling more and more frustrated  
And you're getting all kind of impatient waiting

[Chorus]

We live and we learn to take  
One step at a time  
There's no need to rush  
It's like learning to fly  
Or falling in love  
It's gonna happen and it's  
Supposed to happen that we  
Find the reasons why  
One step at a time

[Verse 3]

When you can't wait any longer  
But there's no end in sight  
When you need to find the strength  
It's the faith that makes you stronger  
The only way we get there  
Is one step at a time

[Chorus]

Take one step at a time  
There's no need to rush  
It's like learning to fly  
Or falling in love  
It's gonna happen and it's  
Supposed to happen that we  
Find the reasons why  
One step at a time

[Chorus]

One step at a time  
There's no need to rush  
It's like learning to fly  
Or falling in love  
It's gonna happen and it's  
Supposed to happen that we  
Find the reasons why  
One step at a time
