Feels like I'm going down a one way street,  
In every direction  
I need, I need, I need heaven to show me just little  
affection.  
No, cause all of the sides, oh oh  
Point towards bad for me.  
And I wish I could get a running start  
And soar my victory, but

Chorus

One wing I can't fly with one wing  
Heaven help me, fly with one wing  
I can not fly with one wing, oh no  
No matter how hard I try, I can't no.

Feels like I'm running out of time,  
And I gotta whole lotta things on my mind  
And I'm walking around with in the dark uh huh  
Trying to find just a little peak of sunshine  
No, no oh I did everything to make it work,  
But I'm still I'm at a loss, Yeah.  
Now, I'm on the runway of my life  
Waiting to take off, but I-I-I

Chorus

I Can't no fly with one wing.  
Heaven I' gonna need some help yeah, fly with one  
wing  
I can't fly with one wing, oh no  
No matter how hard I try, I can't no.

Oh, I been on my kness many nights, Praying  
For the coming of my victory, Yeah  
But it's always something there in the way to delay my  
flight  
I just can't get off my feet  
To reach my destiny,  
Though it's where I can see  
It's just too out of reach, no oh oh.

I can't I can't I can't fly with one wing!

Chorus

Yeah, fly with one wing!

No, I can't fly, fly with one wing.

I can't fly with one wing, oh no

No matter how hard I try, I can't no.

Fly with one wing, no

Fly with one wing,

I can pray to the Lord sista

But I can't, I can't, I can't no

Fly, fly, fly, fly.

But I can't do it no, But I can't, I can't do it no

Please I can't do it no, With one wing, with one wing,  
one wing

Yeah, yeah, yeah ooooh

I can't fly with one wing, but I can't

I can't fly with one wing, I can't

I can't fly with one wing, I can't.

Nooo way, No way Oh oh oh
